## Am I Eligible?

Every student at Vermont Law School taking five (5) or more credits is required to be covered by a health insurance policy, whether it be a Vermont Law School policy through Wellfleet Insurance Company, or a comparable outside policy. Unless evidence of comparable coverage is provided and a waiver of coverage form is submitted on or before the waiver of coverage deadline.

## How Do I Waive?

Students who are currently enrolled in a Health Insurance Plan of comparable coverage that will be in effect until August 31, 2021 can elect to waive the Vermont Law School Student Health Insurance Plan. Recognizing that health coverage may change, at the beginning of each academic year students will be asked to provide proof of comparable coverage in order to waive the Student Health Insurance Plan.

To document proof of comparable coverage an Online Waiver Form must be completed and submitted by the deadline.

1. Go to [www.gallagherstudent.com/Vermontlaw](http://www.gallagherstudent.com/Vermontlaw).
2. On the left toolbar, click on 'Student Waive/Enroll'.
3. Log in (if you haven't already).
4. Select the Blue "I want to Waive/Enroll" button. If waiving the insurance, please have your current health insurance ID card ready as you will need this information in order to complete the waiver form.

Immediately upon submitting the Vermont Law School Annual Decision Form, you will receive a reference number indicating that the form has been successfully submitted. Print this reference number for your records. If you do not receive a reference number, you will need to correct any errors and resubmit the form. The online method is the only accepted process for waiving coverage.

Vermont Law School reserves the right to audit and subsequently reject a waiver request. If it is determined that a student waived coverage with a health insurance plan that was not comparable coverage, the student will be automatically enrolled in the Student Health Insurance Plan, effective the date that the determination was made and there will be no pro-rata of premium.

In the event a student waives the Student Health Insurance Plan and then loses current coverage due to a qualifying event, (i.e. parent loss of coverage or the maximum age limit available is attained), the student has the right to petition to add coverage within 31 days of the qualifying event.

**The deadline to waive coverage for Annual coverage is 8/20/2020.**
