## Notice of VLGS Amendment to the Academic Regulations

Effective: Thursday, April 11, 2024

Students Effected: Effective immediately upon approval by faculty.

**Amendment Type:** MPP Degree and Section IV Amendments

**Academic Regulation:** Section IV and V

**Amendment Description:** 

## **NEW LANGUAGE**

Amend academic regulation section IV with the changes in red below.

#### A. GENERAL PROVISIONS

The provisions in regulations IV.A., IV.B., IV.C. and IV.D. apply to the EMEP, MCEP, MAPP, MELP, MERL, MFALP, MARJ, MPP, and MLS degrees.

### 2. CREDITS AND COURSE LOAD

The master's degree is granted for regular attendance and satisfactory completion of the prescribed course of study as indicated below. A cumulative grade point average of 2.30 is required for successful completion of a master's degree.

- a. Master's-only Students:
  - (1) For students taking residential classes, the minimum course load is six credits per semester for full-time students. The maximum course load is 14 credits per semester. The maximum course load for summer session is 11 credits.
    - No exceptions are allowed other than with the prior written approval of the **Program Director** Dean or the Dean's designee.
  - (2) For students taking online learning classes, the recommended course load is three credits per term. The online learning program offers six terms per academic year.

## 3. DURATION OF PROGRAM

- a. To obtain a master's degree, a student must complete the degree requirements within a period of five years from matriculation.
- b. Students may usually enter the master's program in the spring, summer or fall semesters only. The appropriate Program Director Dean or the Director's Dean's

designee shall have the discretion to allow require students to enroll in a specific enter the master's program course in the spring semester upon entry.

c. Online learning students may enter the master's program in any term offered throughout the academic year.

#### 4. TRANSFER OF CREDITS

A student enrolled in a master's program may be granted credit for summer or regular semester courses satisfactorily completed at an ABA-approved law school or at another accredited graduate school. A student may transfer a maximum of six such credits to the master's program with the approval of the appropriate Program Director or the Director's Dean's designee. Students may not transfer credits to the Executive Master of Environmental Policy (EMEP) program. Before granting such approval, the Director Dean or his or her designee must determine that the course is offered at the graduate level and that the course is relevant and important to the student's overall program of study. Courses eligible as transfer credit include only those courses with specific relevant substance. The Registrar must receive an official transcript showing that the course has been completed and that a grade of C or better (as defined in the Academic Regulations) has been awarded. Pass/Fail grades and grades for externships will not transfer. Transcripts from a foreign institution must be accompanied by a WES, ECE, or Spantran or AACRAO evaluation. Grades from transferred courses will not be used in computing the student's grade average. Once a student has enrolled as a degree candidate, prior approval must be obtained from the appropriate Program Director or the Director's designee to obtain credit for courses taken at another institution. No transfer credit will be given for a course completed more than five years prior to matriculation into the master's program.

Amend academic regulation sections IV.A.5, IV.C, IV.D, and IV.E.2.c with the changes in red below.

...of the appropriate Program Director Dean or the Director's Dean's designee.

Amend academic regulation section IV by adding the following text as section N.
