Character and Fitness – For Exchange LLM Applicants

Because of the high ethical standards to which VLS graduates are held, the failure to disclose an act or event such as the ones described below is often more significant, and leads to more serious consequences, than the act or event itself. Please read each question carefully and respond appropriately.

If the answer to any of the following questions is “yes,” please explain fully on a separate sheet of paper. Although a charge or conviction may have been expunged, dismissed or vacated from your record by an order of the court, it nevertheless should be disclosed in answer to these questions, irrespective of any advice from any source that such information need not be disclosed.

Similar questions will be asked on the applications for state bar exams. The information you provide on the law school admission application must be consistent with answers you provide to the bar.

1. Have you ever, as an adult or as a juvenile, been charged with, arrested for, or convicted of a violation of any civil or criminal law, other than a parking violation or speeding ticket? Yes No
2. Are any civil or criminal charges pending against you? Yes No
3. Has any educational institution, governmental or administrative agency (including any branch of the Armed Forces), or employer ever taken disciplinary action (including academic probation or suspension) against you? Yes No

I certify that the foregoing information is true, correct, and complete to the best of my knowledge. I shall promptly inform Vermont Law School if there is any change in any of the facts indicated herein prior to or during enrollment. False statements may result in dismissal or revocation of degree and may affect admission to the bar.
