

**2011-2012
Federal Direct Loan Request Form**

In order to ensure you have your tuition and living expenses covered for this up-coming year please complete the loan request form and visit www.vermontlaw.edu as soon as possible to avoid any processing delays. Detailed instructions on how to complete your loan paperwork along with terms and conditions can be found there. Click on Admissions, Tuition and Financial Aid, and then Federal Direct Loans and Work study Programs. Here, you will find links to both the Stafford and Grad PLUS Promissory Notes. You will need to complete two promissory notes: one for the Stafford Subsidized and Unsubsidized loans, and the other for the Grad PLUS loan.

The request form below can be used to plan your loan disbursements for the current academic year. Interest does not accrue on these loans until funds are disbursed. Please refer to your financial aid award notice for the maximum amount you can request each semester. All students are encouraged to limit borrowing whenever possible. If you request less than the maximum loan now, you can supplement your request at a later date. NOTE: All refund checks are available on the first day of class for each semester.

NOTE: You must be enrolled at least half-time in a degree program and maintain satisfactory academic progress towards your degree to receive your loan proceeds.
