### **Interlibrary Loan Policy**

---

Only complete and accurate ILL requests will be accepted and processed by the Access Services Department. Patrons will receive notification by email once the item has been received and is available for pickup.

Books will be banded with patron name and due date, and checked out to the patron. They may be picked up at the circulation desk. It is the patron's responsibility to collect the material and return it to the circulation desk before the date due. Renewals may be requested only through the Access Services Department or [Michele LaRose](#). Not all lenders offer renewals, and occasionally borrowing restrictions are specified. Patrons are expected to honor these conditions and to make a renewal request before the books return date. Please return books on time. ILL overdue fines are .50 cents per day.

Articles will be clearly labeled with the patron name. Articles that are received on-line will be delivered to your e-mail address. Copies are yours to keep and the requester is responsible for "fair use" (private study, scholarship, or research) of the reproduced material.
