The Vermont Law School Tier 1 Support program allows a student to purchase their laptop directly through Vermont Law School. The laptops will be shipped to Vermont Law School though the student is purchasing from DELL. The Technology Department will install standard applications and prepare it for use on our network, and will contact you when your computer is ready.

Cost: \$1395.00 + 6% sales tax

This includes: The Dell E6400 laptop; 3-year CompleteCare accidental damage coverage & hardware support (from manufacturer); 1 year of software support (from VLS IT); and 6% VT Sales Tax. (Upgrades and peripherals are available at additional cost; see Optional Equipment, below.)

_____ 6% Sales Tax (on subtotal above)

_____ Shipping Fee = \$20.00 (if you would like home delivery of your laptop)

_____ Order Total

Method of Payment (check one to indicate your choice):

_____ VLS Financial Aid

I intend to pay for my laptop purchase via student financial aid funds. I understand that the cost of the computer will be deducted from my student aid refund, and that purchase of optional items will reduce the amount of my financial aid refund check. Further, I understand that the purchase of this laptop computer, should I withdraw from Vermont Law School for any reason, will NOT be refundable.

_____ Personal Payment (personal check or money order):

I intend to pay for my laptop purchase via personal funds. A personal check or money order for \$1479.00, made to the order of Vermont Law School, is attached.
