

Hello All,

I am looking forward to an engaging, interesting, and educational semester in Legislation & Regulation. The assignment for the first day of class is:

1. Sign on to our TWEN site
2. Read the syllabus and assignments document
3. Read pages 3-5, 10-17 of the Casebook
4. Prepare your answers to the problem on pages 13-17

Feel free to email me or stop by, if you have any questions.
