

PARKING

Registration of Vehicles

Vermont Law School encourages carpooling, walking, or biking to campus when possible. All vehicles driven to campus by members of the Vermont Law School community should be registered with the Business Office. Registrants will receive a parking sticker that should be placed on the vehicles's rear bumper. The registration of vehicles allows VLS to locate owners in the event of emergencies. Vermont Law School may charge a parking fee of up to \$150 for 2010-11.

Enforcement

The administration of VLS expects that persons using the parking areas will use common sense and avoid parking in driveways, on grassed areas, or restricted areas that indicate no parking. Should enforcement action be necessary, the Vice President for Finance and Administration will determine appropriate action. Enforcement activities may include the placing of notes on windshields, the assessment of parking tickets, and, in extreme conditions, the towing of vehicles. Particular attention will be paid to abuse of handicapped and overnight parking policies.

Disabled Parking

VLS attempts to establish an appropriate number of disabled persons parking spaces. Individuals wishing to use temporary handicapped parking may obtain the authorization from the Business Office. Individuals wishing additional disabled parking spaces may request the same from the Director of the Physical Plant, who will make every effort to efficiently implement these requests.

Designated Parking Areas

The Law School has refrained from creating large numbers of restricted parking areas. However, the areas behind the South Royalton Legal Clinic and between Rogers House and Curtis House are restricted to faculty and staff only. Only clinic staff, including students who are working as interns, are permitted to park behind the clinic.

Designated CarPool spaces are located in the parking lot behind the Cornell Library and in the lot across from the entrance to Oakes Hall. There are two designated parking spaces for the ZipCars in the Oakes Hall lot.

Overnight Parking

The law school does not allow overnight parking. It is the responsibility of landlords in the community to provide parking for their tenants associated with their facilities.

Emergency Parking

In the case of hazardous driving conditions due to a snow storm, limited parking will be available in the lot near the Eaton House. Cars must be removed within 12 hours after the storm ends.

Reports of Damage

VLS is not responsible for damage to vehicles. During the winter months, persons should exercise caution in parking near buildings because of the potential for damage from falling ice and snow. Damage to vehicles in parking lots is a matter for the vehicle owner and his or her insurance company. Any damage should be reported to the Vice President for Finance and Administration and a Campus Incident Report Form should be completed. As a matter of courtesy, the administration expects that any person responsible for damage to another vehicle will seek the owner and report the damage.
