

Course Syllabus

**THE LAW OF ECOSYSTEM MANAGEMENT
VERMONT LAW SCHOOL
SUMMER 2018 | TERM TWO | MORNINGS 9:00 -12:00**

Week One

**Professor Jim Salzman
UCSB Bren School & UCLA Law School
salzman@bren.ucsb.edu**

Week Two

**Professor J. B. Ruhl
Vanderbilt Law School
jb.ruhl@vanderbilt.edu**

1ST ASSIGNMENT

Prior to the beginning of the class, please e-mail both of us a personal statement with a bit about you, your background, your interest in the topic of ecosystem management, what you hope to get from the class, and what you aspire to accomplish in your legal career. This is an ungraded personal statement that helps us get a feel for the mix of perspectives in the class. We will not share these with the class, and you need not provide any information that makes you uncomfortable. We will give the class our respective personal statements orally on the first class day each week!

WEEK ONE

Day 1 – Introduction to Ecosystem Management Text 1-51
