Introduction
The Vermont Law School Student Health Insurance Plan has been developed especially for Vermont Law School students. The Plan provides coverage for Sicknisses and Accidents that occur on and off campus and includes special cost saving features to keep the coverage as affordable as possible. Vermont Law School is pleased to offer the Plan as described in this brochure.

This brochure is a brief description of the insurance coverage under the Vermont Law School Student Health Insurance Plan. This plan is underwritten by National Guardian Life Insurance Company, serviced by Gallagher Student Health & Special Risk and claims are administered by National Guardian Life Insurance Company. The exact provisions governing this Student Health Insurance Plan are contained in the Master Policy which will be issued to the College. This Brochure is a supplement to the Policy. If there is a conflict between the Policy and this Brochure, the Policy controls.

Student Eligibility and Enrollment
Every student at Vermont Law School taking six (6) or more credits is required to be covered by a health insurance policy, whether it be a Vermont Law School policy through National Guardian Life Insurance Company, or a comparable outside policy, unless evidence of comparable coverage is provided and a waiver of coverage form is submitted on or before the waiver of coverage deadline. Dependents of Insured Students may also enroll.

Online Waiver Process
Students who are currently enrolled in a Health Insurance Plan of comparable coverage that will be in effect until September 1, 2020 can elect to waive the Vermont Law School Student Health Insurance Plan. Recognizing that health coverage may change, at the beginning of each academic year students will be asked to provide proof of comparable coverage in order to waive the Student Health Insurance Plan.

Waiver Process
To document proof of comparable coverage an Online Waiver Form must be completed and submitted by the deadline.
2. On the left toolbar, click on 'Student Waive/Enroll'.
3. Log in (if you haven’t already).
4. Select the Blue “I want to Waive/Enroll” button. If waiving the insurance, please have your current health insurance ID card ready as you will need this information in order to complete the waiver form.

Immediately upon submitting the Vermont Law School Annual Decision Form, you will receive a reference number indicating that the form has been successfully submitted. Print this reference number for your records. If you do not receive a reference number, you will need to correct any errors and resubmit the form. The online method is the only accepted process for waiving coverage.

Vermont Law School reserves the right to audit and subsequently reject a waiver request. If it is determined that a student waived coverage with a health insurance plan that was not comparable coverage, the student will be automatically enrolled in the Student Health Insurance Plan, effective the date that the determination was made and there will be no pro-rata of premium.

In the event a student waives the Student Health Insurance Plan and then loses current coverage due to a qualifying event, (i.e. parent loss of coverage or the maximum age limit available is attained), the student has the right to petition to add coverage within 31 days of the qualifying event. If the petition is received within 31 days of the qualifying event, there will be no break in coverage. For petitions received after the 31 days, the effective date of coverage will be the date that the petition is received at Gallagher Student Health & Special Risk. If approved, the premium will not be prorated.

Waiver Deadline
The deadline for students to complete the Online Waiver Form for annual coverage is September 17, 2019. Students who waive the Student Health Insurance Plan in the Fall, will waive coverage for the entire Policy year. The Online Waiver process is the only accepted process for making your insurance selection.

Students who do not submit the Online Waiver Form by the deadline will be enrolled in and billed for the Student Health Insurance Plan.

Policy Term
The Policy for the current year becomes effective 09/1/2019 at 12:01 AM and expires on 09/1/2020 at 12:01 AM. Coverage remains in effect during holiday and vacation periods.

Refund of Premium
Premiums received by Us are fully earned upon receipt. Refund of premium will be considered only:

1. For any student who does not attend school during the first thirty-one (31) days of the period for which coverage is purchased. Such a student will not be covered under the Policy and a full refund of the premium will be made.
2. For Insured Persons entering the Armed Forces of any country. Such persons will not be covered under the Policy as of the date of his/her entry into the service. A pro rata refund of premium will be made for such person upon written request received by Us within ninety (90) days of withdrawal from school.
3. No other refunds will be allowed.

Network Providers
The Vermont Law School Student Health Insurance Plan provides access to hospitals and health care providers throughout the country through the First Health Provider Network.

Network Providers are the Doctors, Hospitals, and other health care providers who are contracted to provide medical care at a negotiated fee, or Preferred Allowance. It is to the advantage of Insured Students to use Network Providers to help reduce out-of-pocket expenses, as any applicable coinsurance is based on the negotiated Preferred Allowance. Non-Network Providers have not agreed to a Preferred Allowance and consequently your out-of-pocket costs may be greater. Students should be aware that Network Hospitals may be staffed with Non-
Network Providers. Receiving services or care from a Non-Network Provider at a Network Hospital does not guarantee that all charges will be paid at the Network Provider level of benefits. It is important that the Insured Person verify that his or her Doctors are Network Providers when calling for an appointment or at the time of service. The most efficient way to identify Network Providers in the First Health Network is to call First Health toll free at 1-800-226-5116 or visit their website at www.myfirsthealth.com

Coordination of Benefits

The Coordination of Benefits (“COB”) provision applies when a person has health care coverage under more than one Plan. Plan is defined below.

The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary plan. The Primary plan must pay benefits in accordance with its Policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary plan is the Secondary plan. The Secondary plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable expense.

Claims Procedures

In the event of an Injury or Sickness the Insured Person should:

1. A claim form is not required to submit a claim. However, an itemized bill, HCFA 1500, or UB92 form should be used to submit expenses. If a referral was required, this form should accompany this submission. The Insured Student/Person’s name and identification number need to be included.

2. Providers should submit claims within 30 days from the date of Injury or from the date of the first medical treatment for a Sickness, or as soon as reasonably possible. If a student is submitting the claim, a copy should be retained and claims should be mailed to the Claims Administrator at the address on the back cover.

3. Direct all questions regarding claim procedures, status of a submitted claim or payment of a claim, or benefit availability to the Claims Administrator.

4. If you disagree with a claim payment decision, an Insured Person has the right to file an appeal. The process for filing an appeal can be found in the Appeals Procedure section of this brochure.

Any provisions of the Policy, which on its effective date, is in conflict with the statutes of the state in which the Policy is issued will be administered to conform with the requirements of the state statutes.
