

Benjamin M. Leoni, Esq.

RELEVANT WORK EXPERIENCE

United States Department of the Interior, Office of the Solicitor, Denver, CO
Attorney-Advisor – Rocky Mountain Region

February 2020-Present

- Advise federal bureaus, primarily the Bureau of Land Management, concerning all public land and environmental statutes, including NEPA, FLPMA, ESA, The Wilderness Act, WFRHBA, Taylor Grazing Act and RS 2477 roads.
- Represent BLM before administrative adjudicatory bodies including the Interior Board of Land Appeals, related to NEPA appeals, federal land trespass, federal title issues.
- Provide support to the U.S. Department of Justice in federal court litigation involving Bureau of Land Management.

Lewis, Bess, Williams & Weese P.C., Denver, CO

January 2019-February 2020

Of Counsel – Employment Litigation and Natural Resources Litigation Departments

- Advised ski area client concerning potential prescriptive easement claims over client property to reach federal land;
- Drafted and argued numerous motions related to enforcement of non-compete agreements and trade secret theft;
- Handled all aspects of federal court employment litigation including briefing, discovery, and preliminary injunction hearings.

Curtis Thaxter LLC, Portland, ME

August 2011– December 2018

Partner – Civil Litigation Department with a focus on land use litigation

- Authored over fourteen Maine Supreme Court briefs and argued four times before the Maine Supreme Court;
- Lead attorney in several trials ranging from one day to three weeks, including one of the most complex real property lawsuits in Maine history; conducted direct and cross examination of dozens of expert and lay witnesses, drafted and argued motions and pleadings before administrative, trial, and appeals courts, responsible for all aspects of discovery;
- Lead attorney from start through appeal to Maine Supreme Court in case of first impression on behalf of the world's largest seaweed harvesting company over whether Maine's intertidal seaweed is owned by the State in trust for the public or is privately-owned by abutting land owners; worked with Maine Department of Marine Resources to develop arguments and strategy.
- Advised Maine's largest utility on environmental permitting related to utility corridor including but not limited to:
 - Federal: Section 404 of the Clean Water Act, Section 10 of the Rivers and Harbors Act, the Bald and Golden Eagle Protection Act,
 - State: Natural Resources Protection Act; Site Location and Development Law;
- Brought and defended claims related to regulatory and judicial takings under the Fifth Amendment;
- Successfully represented landowners in numerous zoning and land-use municipal hearings and appeals.
