LEGAL SERVICES EXPERIENCE

Legal Food Hub, 2014–2018 (legalfoodhub.org)

Created and implemented the nation's first *pro bono* legal services network for lower-income farmers and food entrepreneurs. Currently operating in CT, MA, ME, VT, and RI, with plans for expansion. During my time working on the Legal Food Hub, we placed over 325 cases, built a network of 140 law firms, and leveraged two million dollars in pro bono legal services. Partners included Harvard Law School, Yale Law School, and University of Maine School of Law. Program attracted funded post-graduate legal fellows from Cornell Law School, Harvard Law School, Northeastern University School of Law, Tulane University Law School, Vermont Law School, and Yale Law School.
