PROFESSIONAL EXPERIENCE

RACE FORWARD

August 2022 - Present

Director of Root Solutions for Public Safety, GARE Initiative

- In partnership with the Government Alliance on Race Equity [GARE] Initiative Network, research, identify, share, and disseminate ways that racial equity can be achieved within the criminal legal system;
- Document and promote opportunities to invest in alternatives to punitive interventions that interrupt the cycle of criminalization, incarceration, and violence;
- Curate best practices that make public systems [police, District Attorneys, probation/ parole, jails, and prisons] more accountable to community safety by advancing antiracist policy and practice solutions;
- Organize peer-to-peer learning exchanges across the GARE network including criminal legal system practitioners that draw inspiration from the progress they are making in the movement for racial equity.

ALEX FRANK CONSULTING

February 2022 – Present

Senior Consultant

- Co-author and collaborator on publications and reform projects with grassroots community based partners including Raw Wisdom LLC [Vineland, New Jersey] and the MILPA Collective [Salinas, California].
- Support Justice Policy Institute [Washington, DC] on grant writing, analytics, reporting and management.

VERMONT LAW SCHOOL

September 2020 – Present

Adjunct Professor & Course Developer, National Center on Restorative Justice

- Design and teach VLS's youth justice courses.
- Participate in convenings and think tanks around restorative justice, ending mass incarceration, and enhancing the learning experience of students.
- Support development of University scholarship and research at the intersection of antiracist policy change, restorative justice, youth justice, and systems change.

NEW YORK CITY, DEPARTMENT OF CORRECTIONS

Assistant Commissioner

August 2021 – January 2022

- Reporting to the Commissioner, served as a trusted advisor and thought partner within the executive leadership team on matters related to stabilizing the humanitarian crisis at Rikers Island, participatory project management [in partnership with incarcerated people and front-line staff], strategic planning, antiracist policy change, and communications.
- Developed and led the departments strategy around young adults as a key entry point to broader reform given the disparate impact of the inhumane conditions on young people of color and in alignment with the values of antiracism, cultural healing, truth telling, and restorative justice.
- Managed a multidisciplinary team of expert consultants and internal DOC partners across operations, programs, communications, and training in alignment with the above values to implement reforms.
- Managed and built relationships with external funders, community partners, advocates and allies in the field.
- Co-led the Young Adult Task Force, an interdisciplinary team including grassroots advocates, funders, providers, and government leaders.
- Served as the lead with external funders and donors supporting the inside/ outside reform strategy.

Senior Consultant

June 2021– August 2021

- Designed and led a strategy to stabilize the crisis at Rikers Island with a focus on young adults across jail operations/ security, programs, and internal and external communications.
- Led an assessment of current living and working conditions on Rikers Island, with a focus on young adults and managed a consultant team in partnership with the MILPA Collective and the Justice Policy Institute [JPI].
- Supported fundraising efforts to engage external supports and content knowledge experts including managing the budget, writing grants, and funder/ donor relations.

COLUMBIA UNIVERSITY, JUSTICE LAB

February 2021 – August 2021

Senior Consultant

- Provided strategic consulting and technical assistance on projects aimed at advancing race equity and transforming the treatment of young adults [ages 18-25] across the justice system.
- Led and project managed a youth and young adult diversion project with a large county jurisdiction in partnership with local legal aid, state's attorney, and grass roots community partners to design and implement a diversion program for young adults.

VERA INSTITUTE OF JUSTICE – New York, NY

July 2016 – October 2020

Project Director, Co-Founder [Restoring Promise Initiative](#)

- Co-Founded the Restoring Promise Initiative – a national initiative working to transform the prison system, build people power of those most impacted, and advance antiracist policy change focused on young adults.

- **Initiative Operations:** Served on the leadership team of Restoring Promise to manage a budget of \$14.5 million, team of 22 people [5 direct reports], consultants, sub-grantees, grant applications, funder, partner, and media relations; recruited, trained, and onboarded new staff and consultants, and supported growth and professional development of staff.
- **Site Work:** Designed and managed our national scale strategy and our state-based teams in providing technical assistance [TA] with the state Department of Corrections in CT, SC, ND, CO, ID, and a county Jail in MA including the state-specific reform strategy, coaching agency staff, managing media inquiries, supporting antiracist policy changes, research and evaluation agenda, training curriculum, team wellness, local community partnerships, and relationships with DOC leadership, state legislature, and Governor offices.
- **Narrative Change and Communications:** Co-managed the narrative change strategy including the design and launch of the brand concept and website, fielded media inquiries, co-developed and managed crisis communications strategy, and supported the production of publications and multi-media reports.
- **Network Engagement:** Managed the health and growth of the Restoring Promise network including engaging new partners, organizing and facilitating peer-to-peer learning exchanges (domestic and international), hosting webinars, building/ nurturing relationships with funders, justice system partners, and consultants, and managing the production of the annual convening with 100+ participants at a historically significant location in the US including the EJI Museum & Memorial; Whitney Plantation, New Orleans, LA.
- Presented and spoke at conferences across the US on youth and young adult justice, antiracist policy change, prison conditions and reform strategies, and the social and historical context of the carceral system.

ANNIE E. CASEY FOUNDATION - Baltimore, MD

September 2013 – June 2016

Program Assistant, Juvenile Justice Strategy Group

- Managed grants and relationships with grantee organizations and consultants with a focus on those doing work to partner with young people and families directly impacted by the youth justice system.
- Provided technical assistance for state and local youth justice reform including identifying “inside” and “outside” system reform opportunities to change policy and practice, designing and facilitating meetings with stakeholders, identifying and supporting local reform leaders, providing data analytical support, and supporting a prison-based participatory action research study.
- Led the development of a national youth justice reform strategy and funding portfolio to partner with young people currently and formerly involved in the justice system including establishing the Foundations first national youth justice advisory board and building strategies for partnering with young people in reform work.
- Supported the production of annual convenings (one with 300+ participants, a second with 1,000+ participants) from across the country to deepen our collective learning, network, and advance the work of youth justice reform.
- Presented and spoke at national conferences and participated in ad-hoc consultative sessions on topics related to youth justice, youth and family engagement, probation, prison conditions and reentry reform.

NEW YORK CITY DEPARTMENT OF PROBATION- New York, NY

August 2012 – August 2013

Assessor [Contractor], Alternative to Placement Assessment Unit (ATP)

- Supported the development of the ATP assessment unit including processes, policies, and protocols.
- Completed assessments of youth involved with the justice system to identify alternative disposition to prevent incarceration in partnership with youth and families.
- Presented written and oral dispositional recommendations to judiciary.

MSW Field Placement - Juvenile Operations

- Conducted literature reviews and research related to probation policy and program reform efforts including the New York City, Close to Home Initiative.
- Drafted and presented policy recommendations and reports and supported policy and program development stakeholder workgroups.

SAFE SPACE, NYC- Far Rockaway, NY

August 2011- May 2012

Case Planner (MSW Field Placement)

- Provided intensive case management to children and families with severe and persistent mental illness deemed “high risk” of foster care placement by the Association of Children’s Services (ACS);
- Provided crisis management, counseling, family team conferencing, and strengths based case management support to families;
- Supported families as an advocate in schools, to secure housing, food, and with public and private agencies.

SUFFOLK COUNTY SHERIFFS DEPARTMENT, NASHUA STREET JAIL- Boston, MA *August 2009 – July 2011*

Group Facilitator, Assessor, and Counseling Intern

- Completed psychological/social intake assessments and provided case management support.
 - Developed, implemented and evaluated mindfulness meditation program.
 - Facilitated current events/ political education/ book club.
-
