PROFESSIONAL EXPERIENCE

VERMONT LAW AND GRADUATE SCHOOL, VT, U.S.A.

February 2023 – Present

Director of Master of Legal Studies, Assistant Professor

Developing the Master of Legal Studies (MLS) degree program of Vermont Law School (VLS). Creating the vision and strategies for building VLS MLS degree. Teaching MLS required courses, including U.S. Law and Legal Analysis, and Comparative Law. Overseeing accreditor approvals and compliance for MLS degree. Overseeing department budget and operations. Creating and executing enrollment strategies for MLS degree. Organizing and hosting recruitment event for MLS degree. Meeting with prospective MLS students. Cultivating and managing partner relationships and strategically building relationships with new partners to expand the reach of the MLS program. Evaluating and assessing MLS curriculum. Supervising and mentoring department staff. Advising students on course selection and career paths. Working with other departments to provide support for MLS students. Participating in faculty meetings and committee work. Developing MLS degree network with other U.S. law schools. Developing and maintaining MLS alumni relationship. Designing training courses for VLS partners.

Selected Research: Comparative U.S.- China Environmental Crimes; Comparative Illegal Timber Legislation Mechanisms; U.S.- China Environmental Impact Assessment Mechanisms; Comparative U.S.-China Environmental Public Interest Litigation; Procuratorial Public Interest Litigation; Climate Change and Just Transition Litigation

Courses Taught: U.S. Law and Legal Analysis; Comparative Law: Comparative Legal Systems

VERMONT LAW & GRADUATE SCHOOL, SOUTH ROYALTON, VT

June 2020—February 2023

Director of Partnerships, Adjunct Professor

Cultivating and maintaining partnerships between Vermont Law & Graduate School (VLGS) and other universities, educational institutions, corporations, NGOs, and governmental organizations within the U.S. and worldwide. Creating and deploying partner engagement strategies to increase enrollment, complement existing academic expertise, and fit within the mission of VLGS. Organizing and participating in events and activities to increase VLGS domestic and international student enrollment and international visiting scholar exchange. Building institutional product offerings, including designing training courses and research projects. Designing new degree programs and course syllabi to explore new markets for VLGS. Identifying new partner institutions and organizations and seeking emerging markets for international institutional growth. Working cross-functionally across institutions and with external partners in applying, overseeing, and assessing grant-funded projects. Leveraging and engaging the VLGS community, including alumni and employer networks to foster innovation, collaboration, and assessment of unmet needs in the workforce.

Course Taught: Transnational Environmental Law Practicum

CLIENTEARTH CHINA OFFICE, BEIJING, CHINA

December 2018—March 2020

Lawyer

Strategically developing and overseeing legal programs. Implementing a series of cooperation activities with Chinese government and the judiciary, including the Supreme People's Court (SPC) and the Supreme People's Procuratorate (SPP), and the Ministry of Ecology and Environment (MEE). Developing relationships with and applying for grants from international funders and cooperative institutions. Conducting legal research in cooperation with Chinese judiciaries and MEE on comparative studies between the U.S. and China, and Europe and China. Designing and supervising environmental judicial exchange and training programs for judges, procurators, and law enforcement officers. Providing legal advice to ClientEarth regarding China's Foreign NGO law. Drafting and reviewing contracts and legal documents.
